

Woodstock Professional & Business Women Autumn Art Tour

2022 Sponsorships Available

The Woodstock Professional and Business Women are seeking Sponsors for the 8th annual Autumn Art Tour which will be held Saturday, September 10th and Sunday, September 11th, 2022.

This event is a fundraiser for WPBW. Proceeds are used to award scholarships for adult women. The funds also help families and children through generous donations to Christmas Clearing House and the countywide “Shop with a Cop.” The **\$500.00 Angela Burden Award** is donated to the “Woman of the Year’s” charity of choice. Past recipients include Turning Point, CASA, Home of the Sparrow, and the Land Conservancy of McHenry County.

The goal of the Autumn Art Tour is to showcase the exceptional art and fine crafts produced in the region. The self-guided Art Tour will feature work from artists throughout Woodstock and the surrounding countryside, as well as their guest artists. Visitors can see and purchase a wide range of original work by local artists who appreciate the opportunity to share how, why and where their art is created.
