

The WOODSTOCK PROFESSIONAL AND BUSINESS WOMEN organization is once again offering women in the Woodstock area an opportunity to win a Francis Kuhn Scholarship for education. You must be at least 22 years old or older and live within the District 200 school boundaries of Woodstock to be eligible to compete for the scholarships which can be used for tuition, books, or other expenses related to your ongoing education. The scholarship applicant must demonstrate enrollment in an education program that is working towards a degree or certificate and achievement of passing grades.

Please complete and return the application to the WPBW at the address listed on the form. The application must be received by April 15, 2017 to be considered for the available scholarships. The WPBW organization serves the Woodstock community in a number of ways including participation in the Christmas Clearing House and offers support to women in achieving business and educational goals. Funds raised by the WPBW Fall Art Tour and flower sales are used to provide scholarship opportunities for Woodstock women planning to begin or continue their educational goals.

The winners of the WPBW scholarships will be guests at the May WPBW meeting to receive their initial scholarship checks and will also receive honorary membership to WPBW for the following membership year. We gratefully welcome the assistance of our winners at the Fall Art Tour to help us provide scholarship opportunities for other worthy students in the future.

For further information, contact Sandra Pierce at 815-260-9338. Best of luck in applying for the WPBW scholarship.
